

Amendments to the Drawings:

The drawing sheets attached in connection with the above-identified application contain Figures 1-4 are being presented as corrected drawing sheets to be substituted for the previously submitted drawing sheets. Also attached is a replacement formal drawing sheet for Figure 7, which was approved in the Office Action. Drawing Figures 1, 2 and 4 have been amended. The specific changes which have been made to Figure 1 are a schematic depiction of a PTC heating element and reference numerals 31 referring to the portions of the connecting structure formed on the additional housing 10 that serve as part of means for connecting that housing to the connecting section of the conditioning housing 1. The change to Figure 2 is the addition of new reference numeral 29 to refer to the portion of the connecting structure that is part of cover 18 and cooperates with flanges 14 of the connecting section. The change to Figure 4 is the addition of reference numeral 31, similar to Figure 1. Corresponding additions have been made to the specification, above.

Formal drawing replacement sheets are provided for sheets 1/5, 2/5 and 3/5, as well as for sheet 5/5, noted above.
